DOUBLE T CONSULTING

DOUBLE T CONSULTING, LLC

Emergency Management · Disaster Recovery · Public-Safety Advisory

Executive public-safety and emergency-management leadership for response, recovery, and resilience.

CORE COMPETENCIES

- Incident management & IMT deployment (command & general staff, EOC support)
- FEMA Public Assistance (PA) & Individual Assistance (IA) program support
- Disaster recovery operations & applicant advocacy
- Emergency management planning — EOPs, COOP/COG, hazard mitigation, preparedness
- HSEEP exercise design, facilitation & training / instruction
- Crisis management, business continuity & organizational resilience
- Public-safety advisory — operations, policy & technology adoption

PAST PERFORMANCE & EXPERIENCE

- Incident Commander, SR-530 (Oso) landslide recovery — multi-agency, multi-month recovery; Congressional testimony on lessons learned.
- Elected Sheriff, Snohomish County, WA — 950,000-resident agency, 850 personnel, $125M annual budget.
- County Emergency Management & Policy leader — multi-year COVID-19 response/recovery; $22M in taxpayer savings.
- Incident Management Team member, National EMR — current multi-state disaster-response deployments.

DIFFERENTIATORS

- Former elected Sheriff & incident commander — 25+ years leading complex, high-stakes operations.
- Executive relationships across federal, state, local & tribal government.
- FEMA PA & Grants Portal trained; blends command leadership with training and AI/cyber-resilience fluency.
